

STUDENT PROGRAM

SCIENTIFIC PRESENTATION and TRAINING AWARD

2021-2022 Competition

VISION HEALTH RESEARCH NETWORK

INSTRUCTIONS

Deadlines: June 1st 2021* - expired
September 1st 2021*
December 1st 2021*
March 1st 2022*

**Should these dates fall on a Friday or Saturday, the candidates will have until Sunday night to send their application.*

Objectives

The purpose of this initiative is to provide financial support to graduate student and postdoctoral fellows of the Vision Health Research Network (VHRN) for:

- **Presentation** (oral or poster) of research results at a **national or international scientific dissemination activity** (conference, symposium, workshop, scientific meetings) **in-person or during virtual meetings:**
- **Training opportunities** (short-term internship, visit a laboratory to develop / continue collaboration, training on cutting-edge equipment, participation to specialized course, etc.)

The specific objectives of the program are to:

- Promote networking and collaborations
- Facilitate participation of VHRN trainees to national and international meetings
- Reward excellence in vision health research by VHRN trainees
- Help trainees acquire unique expertise essential to increase research capacity

Eligibility

The eligibility criteria for this program are:

- Relevance of the project to the mission and health research areas of the VHRN vision. Applications that do not meet the mandate of the VHRN will not be evaluated
- This program is open to all student members of the Vision Network, including international trainees. You must be a student (MSc, PhD, medicine), postdoctoral fellow or resident at an university in Quebec, an university hospital, a research institute/center or another health organization under the supervision of a member of the VHRN
- The event for which you are requesting support must take place no more than 3 months **after** the deadline date of application to the VHRN
- Only one (1) application per candidate will be accepted per competition.

Amount and number of awards

- Maximal funding for an in-person event is \$ 1,500 per student and up to 200\$ for virtual meetings.
- The number of awards depends on the availability of funds for this program.
- Only one (1) award per student per financial year (April 1st to March 31st) may be awarded for this program.

Eligible expenses

Conference registration fees, cost for membership organization, transportation costs (economy class), license and visa fees, fees for medical insurance, accommodation fees, meals not covered by the event (\$ 50 / day - excluding alcohol) are all eligible expenses.

Evaluation criteria

The evaluation committee will assess the application based on the excellence of research, the prestige of the event being attended, and the potential of the student's participation to help increase capacity in vision in Quebec. Each application will be evaluated and ranked using the following material:

- Scientific quality of the submitted abstract
- Quality of the letter of justification
- Letter of support from the supervisor

The VHRN's scientific committee will meet four (4) times a year to evaluate applications received under this program.

Commitment

Any recipient of a "Scientific Presentation and Training Award" agrees to:

- Acknowledge the support of the VHRN in their presentation (oral or poster) and following publication resulting from the project for which he was awarded the award by using one of the following wordings, according to the publication language and to the research project topic:
 - ✓ « Le Réseau de recherche en santé de la vision » or « The Vision Health Research Network » if the project is not related to AMD
 - ✓ « La Fondation Antoine Turmel et le Réseau de recherche en santé de la vision » or « The *Fondation Antoine-Turmel* and The Vision Health Research Network » if the project is related to AMD
- Respond to the requests for follow-up sent by the VHRN in order to evaluate the efficiency of this program
- Present the results of the research project at the VHRN Annual meeting
