

STUDENT PROGRAM

GRADUATE STUDENT EXCELLENCE AWARD

2023-2024 Competition

VISION HEALTH RESEARCH NETWORK

INSTRUCTIONS

Deadline: **August 15, 2023***

**Should this date falls on a Friday or Saturday, the candidates will have until Sunday night to send their application.*

Goal

These awards are intended to help and encourage graduate students (**MSc** and **PhD students**) in research in vision in order to better perform in competitions for awards from granting agencies (FRQ, CIHR, NSERC, SSHRC). Students will benefit from constructive comments of experienced evaluators that will allow them to consolidate their application and increase their chances of success in these competitions.

Eligibility

To be eligible for the VHRN "Excellence Award" competition:

- The candidate must be enrolled full-time in a Master's or PhD program on or before **September 30, 2023**, in a master's or doctoral program under the supervision of a VHRN researcher member.
- The candidate's research project must focus on vision health or sciences.
- It is the responsibility of the student to ensure his or her eligibility to the competition he or she will apply to.
- Only **one Graduate Student Excellence scholarship can be awarded to a student during his or her studies** (all levels included).

Amount and number of awards

The amount of an "Excellence award" will be **\$ 2,500**, non-renewable and, the number of awards depends on availability of funds.

Mandatory conditions following the grant

The **recipients** undertake to **submit** his or her **scholarship application** to the FRQ (FRQS, FRQNT or FRQSC) in the current year (fall of the same year). They must provide the **acknowledgement receipt of their application** as well as **proof of registration** (if not present in the initial submission) in the following week to the VHRN. In the rare event that a candidate would not be eligible for a FRQ Master's or a PhD training award, but would be eligible to a CIHR, NSERC or SSHRC competition, the candidate undertake to submit his or her scholarship application to one of this three organisms. Please visit the websites of the eligible organisms for their respective deadlines (see list below).

Evaluation criteria

The application will be assessed on the quality of the candidate's record and his/her chances of success in the scholarship competition to which he/her will apply to. The evaluation grid of the chosen competition will be the one used by the VHRN Scientific Committee.

Commitment

Any recipient of a VHRN "Excellence Award" agrees to:

- Acknowledge the support of the VHRN in each presentation (oral or poster) and publication resulting from the project for which he was awarded the scholarship: By using the one of the following wordings, according to the publication language and to the research project topic:
 - ✓ « Le Réseau de recherche en santé de la vision » or « The Vision Health Research Network » if the project is not related to AMD;

- ✓ « La Fondation Antoine Turmel et le Réseau de recherche en santé de la vision » or « The *Fondation Antoine-Turmel* and The Vision Health Research Network » if it's a project related to AMD;

- Present the results of the research project at the VHRN Annual Meeting;
- Declare to the Network any additional awards received during the period funded by the Network;
- Respond to the requests for follow-up sent by the VHRN after the completion of the Master's or PhD Degree in order to evaluate the efficiency of this program.

Timelines

- Deadline to submit application: **August 15***
- Notification of results and comments: **About 2 weeks before FRQ deadline**

*This date was chosen to allow the Scientific Committee to evaluate applications early enough that students can benefit from these assessments and use them to improve their scholarship application to major funding agencies.

How to apply

The applicant must complete the electronic form available on the [“Graduate Student Excellence Award” program homepage](#) and attach the appropriate documents:

CANDIDATE’S PART

SECTION 4: INTERRUPTION OR SLOWING DOWN OF RESEARCH (maximum 1 page)

This section allows you to specify any circumstances that may have slowed down or delayed your studies or research activities (work, part-time studies, parental leave, family obligations, illness, disability, etc.). The description must include the reasons for and start and end dates of the interruptions or periods of slowdown and their impact, if any (e.g., on publications, participation in research projects, travel outside Quebec, etc.). Please distinguish if the interruption is related to the COVID-19 pandemic.

Linked to the COVID-19 pandemic:

Other situations:

Applicant (First name LAST NAME): _____

SECTION 5 : PROJECT DESCRIPTION (2 pages maximum)

Clearly describe your research project, respecting the following sections: **a)** research issues and hypotheses, **b)** research objectives, **c)** methods and analyzes, **d)** the feasibility, **e)** contributions to the advancement of knowledge.

Also specify how the project addresses the United Nations Sustainable Development Goals, including the principles of equity, diversity and inclusion, if applicable.

Applicant (First name LAST NAME): _____

SECTION 6 : BIBLIOGRAPHY (1 page maximum)

List complete references.

Applicant (First name LAST NAME): _____

SECTION 7 - supervisor : LETTER OF ACCEPTANCE (maximum 2 pages)

- Indicate to what extent the candidate's research project falls within your research activities.
 - Indicate the type of supervision that will be offered to the candidate. Pour les programmes de bourses de formation : s'il s'agit d'une personne candidate
 - qui doit utiliser sa bourse de formation au Québec, confirmer qu'en cas d'octroi, celle-ci poursuivra ses activités de recherche avec une présence physique
 - continue sur le territoire québécois pendant toute la durée du financement conformément aux [Règles générales communes](#) (RGC 2.1).
 - Show how the host setting offered to the candidate will allow him/her to achieve his/her objective.
 - Additional information that could help the assessment committee to better know the host setting.
 - Describe the material resources which will be available for the candidate to achieve his/her project.
-
