

FUNDING FOR THE ORGANIZATION OF A SCIENTIFIC EVENT BY A MEMBER OF THE VHRN

VISION HEALTH RESEARCH NETWORK

2023 – 2024 Competition

INSTRUCTION

Deadlines: **September 30, 2023***
February 28, 2024*

**Should these dates fall on a Friday or Saturday, the candidate will have until Sunday night to send the application.*

Goal

The objective of this initiative is to provide financial support to members of the Vision Health Research Network (VHRN) who are organizing a dissemination or knowledge transfer event (conference, symposium, provincial, national or international scientific conference, *café scientifique*) in the field of vision research.

Eligibility

To qualify for this type of funding:

- The candidate must be an active member of the VHRN;
- He must be the organizer or be part of the organizing committee of the scientific event;
- The event must have a direct link to vision research.

The request must include:

- 1) The form below, duly completed.
- 2) Proof of participation in the event as organizer

Evaluation criteria

Priority will be given to applications that meet the objectives of the Network:

- interests and repercussions for the network;
- international visibility of the network;
- promotion of infrastructures (valorisation, improvement, advertising);
- promotion of tissue banks;
- potential for attracting new collaborators.

Funding will be awarded to the application with the highest impact (i.e. most deserving).

Amount and number of funding

Funding of up to \$ **1,500** will be awarded. The amount of funding depends on the availability of funds. Only one funding per financial year per axis may be allocated for this program. Prizes or awards are not eligible expenses.

Commitment

Any recipient of funding for scientific event must:

- include the RRSV logo in the program;
- recognize the support of the VHRN wherever indicated, using one of the following labels, depending on the language of publication and the subject being addressed:
 - " The Vision Health Research Network " or " *Le Réseau de recherche en santé de la vision* "
 - or if it is a project related to AMD: " The Antoine Turmel Foundation and the Vision Health Research Network " or " The Antoine Turmel Foundation and *Le Réseau de recherche en santé de la vision* "
- promote the Network during the event, to increase its visibility, to stimulate the interest of potential new members and foster research collaborations;
- respond to follow-up requests from the VHRN for evaluation of its funding programs.

Please submit your application to: reseau.vision@ircm.qc.ca
